On Sunday, October 23, 1977, WSP and SRP took a drive to get the paper (through Fleetville, Nicholson, Hop Bottom, North Gibson, Harford, Jackson, Uniondale, Crystal Lake and home). Shortly after they returned to The Homestead, James Bennett Russell (the younger son of Spencer Russell) and two of his children, and John Burr, stopped at The Homestead for a visit. HLRP and James Bennett Russell spoke of times past. James Bennett Russell remarked that he felt it is important that the various branches of the Russell family keep in touch with each other. HLRP, WSP and SRP enthusiastically agreed with him. SRP mentioned the fact that there is in The Homestead Photograph Archive a picture that was taken at a birthday celebration, perhaps in The Homestead, for Spencer Russell when he was a little boy. James Bennett Russell mentioned that his father had purchased a movie camera very early and that at least one roll of film was taken every year of members of the family and such. SRP expressed interest in seeing some of those pictures. James Bennett Russell was pleased with SRP's interest and suggested that the Summer of 1978 would be a good time (James Bennett Russell and family currently live in Reading, Pa. and vacation at the family cottage on Newton Lake) to look at pictures. SRP noted the following information in the course of the visit:

The three children of James Bennett Russell and Enikő Katalin Bornemisza are: Zolna (b. Apr. 24, 1962), Melinda (b. May 2, 1964) and John Burr (b. June 28, 1967). James B. Russell family address: 510 Berks Place, Reading, Pa. 19609.

The two children of Walter George Russell and Betty Jane Adams are: Susan Spencer Russell (b. May 4, 1957) and James Adams Russell (b. July 4, 1951). Walter G. Russell family mailing address: R. D. 5, Sinking Spring, Pa. 19608.
